

# *The "Two Williams" Home*

In Loving Memory of Bill and Willy Stilwell

**William Bruce Stilwell**  
7/2/1947 – 3/25/2007

**William Orion Stilwell**  
2/6/1986 – 8/28/2007

There really is no place like home. And though my own home will never be the same, I am thankful for the memories that it holds. Our home has always been the gathering place for family and friends – a vital haven of warmth and fun for so many years. The door jam holds the recorded history of each of my children's height throughout the years. Rarely was a meal served that Bill, himself, did not cook in our kitchen. William's room was his self-portrait - uniquely expressed on every wall was his love for music and art and friendship.

To all who knew them I am presenting a very meaningful opportunity: In Memory of my husband, Bill, and my son, William - and in the spirit of family and home and gathering...
